

Charles Onuoha

I am a self-motivated, passionate and progress-driven 4+ years experienced Web Designer/Administrator in Nigeria with an extensive background in the industry. With a long-standing record of initiative and innovation, I have developed and executed strategies which I believe will bring value to any company.

Throughout the course of my career, I have honed my quality control and inventory abilities. I am an astute problem-solver, good time manager capable of prioritizing and managing complex projects with proficiency.

PROFESSIONAL EXPERIENCE

Komback Blog/Komback Marketplace, Massachusetts, USA — *Web Design/Administrator*

March 2019 - PRESENT

Komback is a free Online Marketplace built for Africa & America.

Our mission is to be Africa's and America's favorite destination for discovering great value and unique selection.

We give sellers the platform, solutions, and support they need to grow their businesses and thrive. Our own Success is measured via our customers' success. Yes and we are transforming the individual selling experience to help you turn the things you no longer need into cash you can use.

We strive to ensure all our users get the Best Experience in Online Marketing...
